

EASTER CAMP 2024

Dear Parents/Guardians,

We hope this message finds you well. We are writing to inform you that our Easter camp has ended, and it was a fantastic experience for your children.

Throughout the camp, your children engaged in a variety of activities and discussions covering essential topics. From creating study plans to learning effective study techniques, managing stress, understanding puberty and adolescence, discussing climate change, boosting self-esteem, participating in team-building exercises, and engaging in role-plays, every moment was filled with lively learning experiences.

We are pleased to inform you that our external Guiding and Counseling Team played a significant role in ensuring the success of these activities. Their expertise and guidance enhanced the overall experience for the participants.

We have captured some wonderful moments during the camp, and you can find these amazing photos on separate page attached to this notice.

As the camp concludes, we would like to remind you that your child needs to be picked up no later than 10:00 AM on Wednesday, 3rd April 2024, at the school premises.

We express our gratitude to you for entrusting us with the opportunity to enhance your child's Easter break.

We hope that the skills and knowledge gained during this camp will continue to contribute to their academic and personal growth.

If you have any questions or concerns, please feel free to reach out to us.

Best regards,

Tr. Joshua
Head Teacher
